The screenshot displays the MIDAS Academy website interface. The top navigation bar includes the MIDAS Academy logo, links for Courses, Trial, Products, and Talent pool, a search icon, a shopping cart icon, a notification bell icon, and a 'Go to Home' button. The main content area shows the course title 'MIDAS CIM for Advanced: Parameter Fundamentals' with a description: 'This course covers the Basic structural analysis concepts using Indian standard codes. This course covers all the necessary components such as material definition and design of structural members for building design.' It also mentions 'Created by Midas Academy | Last updated Fri, 03-Jan-2025 | 4.8 | 3k reviews'.

Below the course title, there are five tabs: Advanced, 40 Lessons, 30h 20m, 165 Enrollments, and English. The 'Content' tab is selected, showing a list of course topics and their completion status. The progress bar indicates '40/40 Lessons' and '100% Completed'.

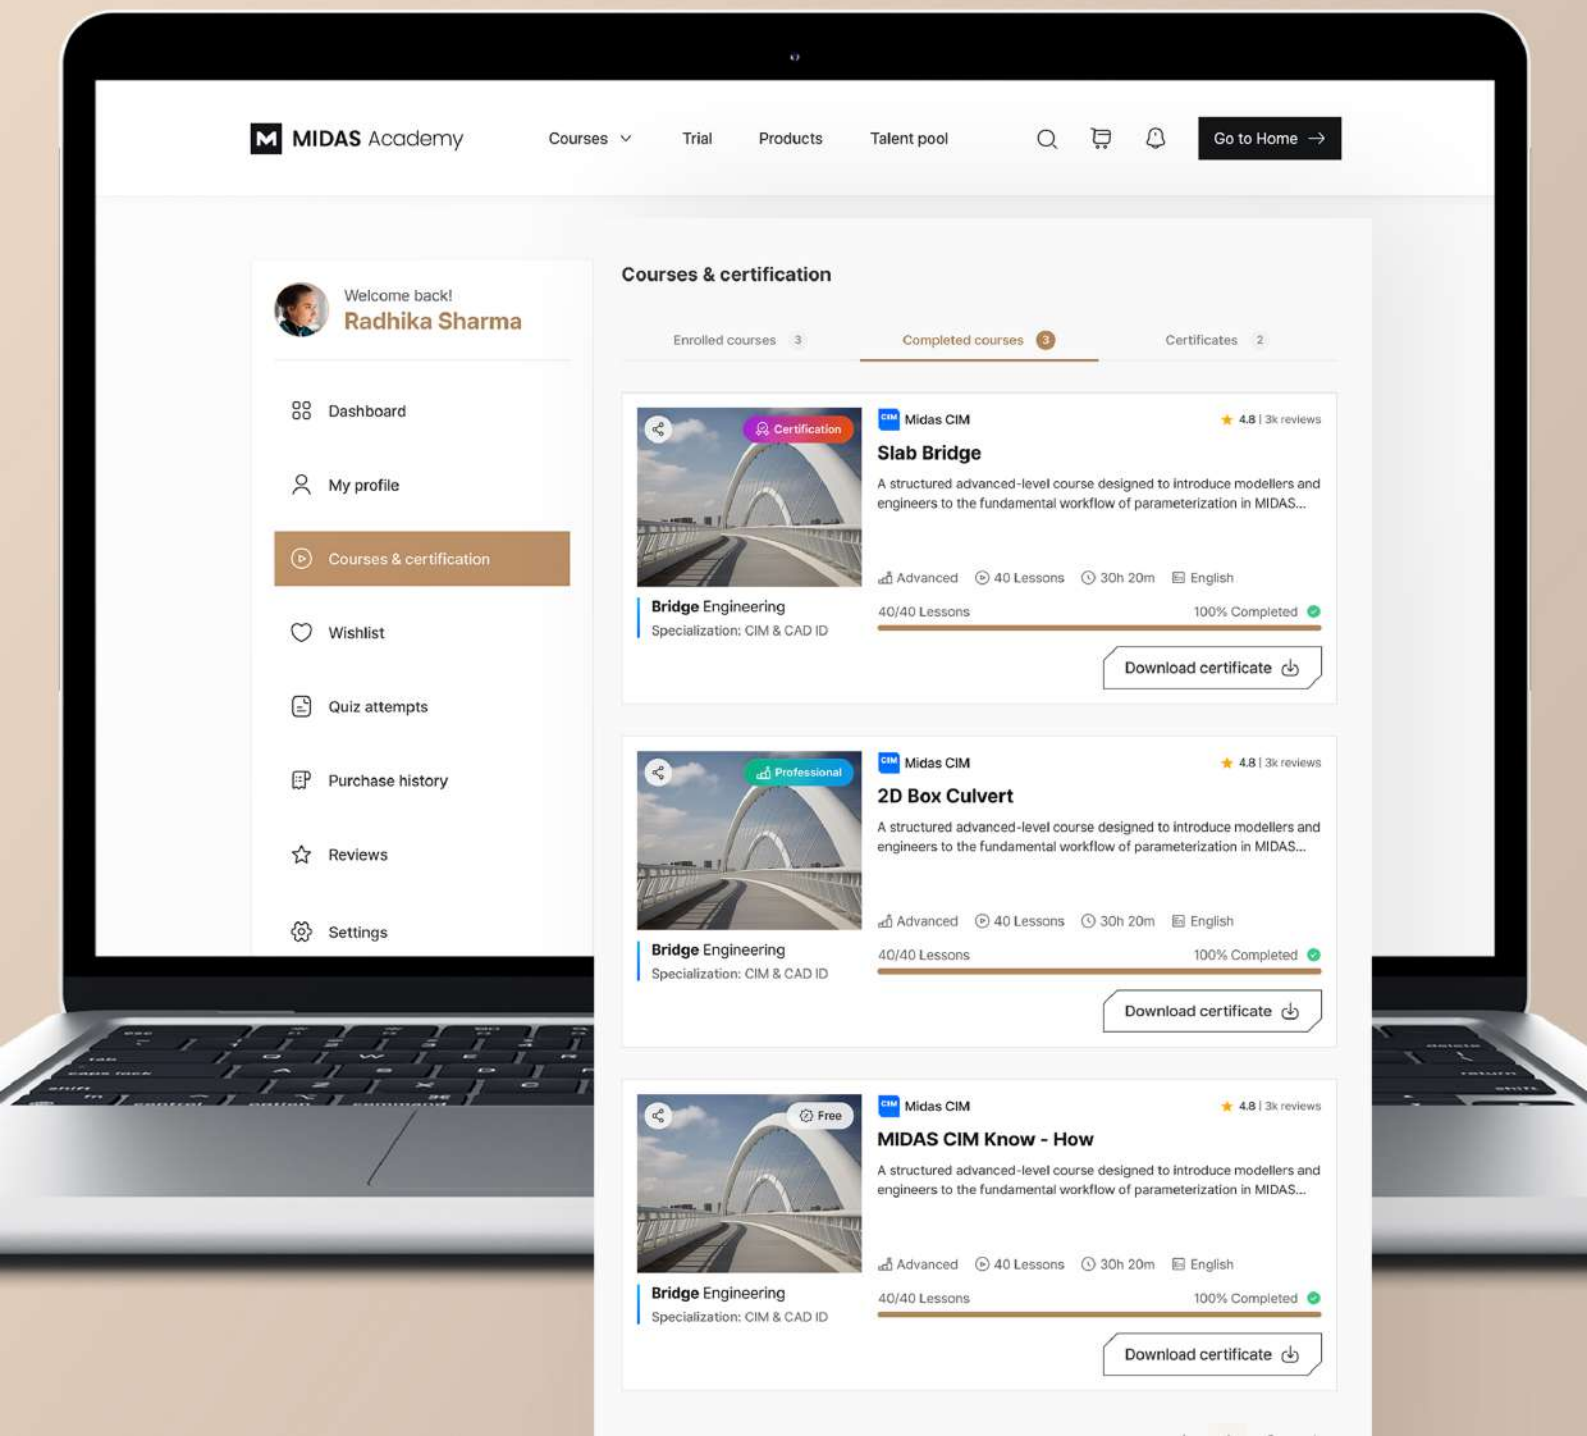

The 'Course content' section lists 17 topics, 50 lessons, and a total length of 40h 50m. The topics are:
